**The Terms:** Ca Ag Properties, Broker. "Broker" as used herein includes Ca Ag Properties, its Officers, Directors, agents, DBA's and employees.

**Sellers Rights:** Seller hereby reserves the right to accept or reject any offer, terminate negotiations, withdraw the Property from the market without notice, amend the price, terms, conditions, and acreages being offered, and negotiate with multiple prospective purchasers concurrently until a definitive, legally binding Purchase and Sale Agreement is fully executed by Seller and Buyer. Seller also reserves the right to accept backup offers until the close of escrow.

**Disclaimers:** This information Memorandum contains information which may assist a potential buyer in evaluating the subject property for acquisition. Although information herein is and subsequent information to be provided by Broker shall be from sources believed to be reliable, **neither Seller, Broker, nor its agents, makes any warranties or representations, express or implied, as to the accuracy, completeness or significance of such information.** Buyer should not rely on the accuracy of any such information. It shall be Buyers' sole responsibility to conduct an independent investigation and due diligence of the Property, its characteristics, production, soils, crops, water availability, and any other factors of importance to Buyer. Buyer is strongly advised to use qualified industry professionals to determine the suitability of the Property for Buyers' intended use. Buyer is also advised that this Memorandum and Property information is dated, and **that changes may have occurred prior to, during, and after the time that this Memorandum was prepared. The Property is offered for sale only in its present As-Is condition,** and on terms and conditions only as may be set forth in a fully executed, definitive Purchase and Sale Agreement. Seller referenced herein shall be deemed to include its Principals, Directors, Officers, Shareholders, Partners, Associates and Employees.

**Sustainable Ground Water Management Act:** California has enacted groundwater management legislation in the form of the Sustainable Groundwater Management Act ("SGMA"). All California groundwater basins and sub-basins are affected by SGMA. Each basin and sub-basin will be managed by one or more local Groundwater Management Agencies ("GMA"). Each GMA is required to adopt a Groundwater Management Plan ("GMP") which are intended to address and rectify groundwater over-drafting. Buyer is advised that the Property may be located in one or more groundwater basin or sub-basin that are subject to one or more GMPs. As a result and depending on the terms and provisions of the GMP, extraction of groundwater may be severely curtailed, restricted, measured or prohibited. In addition, costs and fees may be imposed on the extraction of groundwater if it is permitted. These rules and charges may be applicable regardless of the Property's history of groundwater production. The Buyer is strongly encouraged to investigate the applicability of SGMA to the Property by consulting the State Water Resources Board and all applicable GMAs to determine if there is a GMP in effect or planned that will affect the Property and if so, what are its terms and provisions and impact on the Buyer's intended use for the Property. Broker has not made, does not make and hereby disclaims any and all representations or warranties concerning the Property's location in any groundwater basin or sub-basin, whether it is affected by SGMA or one or more GMPs or the existence, accessibility, quantity, quality or cost of any groundwater relating to the Property.

**Exclusive Representation Rights:** Ca Ag Properties has been granted Exclusive Rights to represent Seller in the offering and sale of the property described herein.
